

## Simple Fish Tacos

Makes: 6 servings (2 tacos per serving)

Preparation Time: 15 minutes

Cooking Time: 4 to 5 minutes

### Ingredients

- 1 tablespoon vegetable oil
- 2 tablespoons lemon juice
- 1 packet (1.25 ounces) taco seasoning
- ¾ cup sour cream
- ½ cup chopped, fresh cilantro (optional)
- Nonstick cooking spray
- 12 (6 inch) corn tortillas
- 1 pound tilapia fillets (4 fillets) frozen, thawed
- 2 cups shredded cabbage
- 2 large tomatoes, diced
- Lime wedges (optional)

### Directions

1. Wash all produce.
2. Collect, cut, and measure all ingredients before starting to prepare the recipe.
3. In a small bowl, mix oil, lemon juice, and 1 ½ teaspoons of taco seasoning. Set aside.
4. In a second small bowl, combine sour cream, cilantro (if using), and 2 tablespoons of taco seasoning mix. Set aside.
5. Spray a large skillet with cooking spray. Add tortillas to the skillet one at a time. Heat briefly on both sides over medium heat until warm and soft. Wrap in 2 layers of foil, put on a plate, and cover with another plate to keep warm.
6. Spray the skillet with cooking spray again. Place fish fillets in the skillet. Cook over medium heat for 1 ½ minutes until golden brown, flip, and cook another 1 ½ minutes until golden brown on the other side.
7. Pour the lemon juice mixture over the fish. Cook for another 1 to 2 minutes. When the fish flakes easily with a fork, it is done. Break the fish into bite-sized pieces.
8. Fill tortillas with fish, and top with a bit of the sour cream mixture.
9. Top with shredded cabbage, diced tomato, and a squeeze of fresh lime (if using).
10. Refrigerate leftovers within 2 hours. Eat within 3 to 5 days.
